SUMMER HOLIDAY HOMEWORK

Dear Parents,

Summer vacations are synonymous with fun, frolic, getting up late in the morning, playing for longer hours with friends, going for picnics, watching fun filled shows on T.V. but there is a lot more you can do to make their vacations more interesting and meaningful. As parents, it is important to invest your time with them now.

- Look into the eyes of your little one and thank God for giving you such wonderful gift. In a few years from now, they will be soaring into greater heights.
- Allow your child to play outdoors, get hurt and get dirty. It's Okay for them to fall down and experience pain once in a while. Comfortable life within the sofa cushions will make your child lazy.
- Take them to relatives and friends to emphasize on how to meet & greet others.
- Allow them to adapt a pet, dog, a cat, a bird or a fish to understand the importance of life.
- Teach them a few folk songs and narrate stories or share your experiences which have some learning outcomes.
- Get some story books with colorful pictures and drawing materials for your kids.
- Keep your children away from TV, Mobile Phones, Computers and other electronic gadgets; they have their whole life for that.
- Avoid giving chocolates, jellies, cream cakes, chips, aerated drinks and too many bakery products like puffs and fried items like samosas.
- Encourage your child to cultivate the reading and writing habits.
- Converse with your child preferably in English to enhance communication skills.
